

Size Chart for School Uniform

Dear Parent

Confused about which size to order for your child's school uniform ?
Follow our 3 step guide to help you with the same.

- 1) **Refer to the size chart** : We have attached a list of **Height - Weight combinations** to help you better understand the uniform size that will fit your child. This list of **Height - Weight - Size** has been prepared by collecting data of over 1000 children.

Accuracy : Very High

- 2) **Refer to the "Reference Age"** : With each product we have specified the "Age-Range" for each size to help you choose the right size.

Accuracy : Medium

- 3) **Check and change at the time of delivery** : When you take the delivery, please check the uniform and accept it only when you are satisfied. We will be happy to replace it immediately in case of any issue.

The **HEIGHT - WEIGHT - SIZE** chart is attached below for your reference. Happy Shopping.. :)
